

The 2nd Edition of the biennial conference, **International Conference on Nuclear Physics and its Applications (ICNPA-2026)** will be held in the University of Delhi, India, from 22-27 October 2026. It will be jointly organized by the Department of Physics and Astrophysics, Sri Aurobindo College and the Miranda House, University of Delhi. The venue of the conference is **Miranda House Auditorium, University of Delhi**. The conference aims to bring together people working at the intersections of different domains of nuclear physics to exchange ideas and results. The conference will feature plenary talks and invited presentations. Young researchers will have the opportunity to present their research through oral and poster presentations.

Topics of the Conference

- Nuclear structure
- Nuclear Reactions
- Nuclear Astrophysics
- Symmetries in nuclei
- Nuclear Instrumentations and Target development
- Accelerator developments and Future accelerators
- Applications of nuclear physics and technologies (e.g. energy, health, environment, space, agriculture)
